More about **SECRET SAUCE SESSIONS**

- **One-on-one coaching** – Work personally with our preferred expert, Catherine Morgan, via a 30-minute phone call to discuss your current projects and tasks, and map out how you will spend your time that week.
- **Accountability** – Catherine will hold you accountable and support you so that you GET STUFF DONE, and more importantly, complete the priority tasks that will help your business grow.
- **Strategy vetting** – Catherine has been a consultant for the Big Four and for several of the mid-tier consulting firms. You will get access to her 13 years of professional services knowledge & experience and 15 years of coaching to help you make the right choices for your business.

More on **Catherine Morgan** - Secret Sauce Coaching Leader:

*Catherine Morgan is a member of the CarolRoth.com team, community manager for Business Unplugged™, and founder of Point A to Point B Transitions Inc., a virtual provider of coaching services to individuals who are in career transition or are looking to establish and grow consulting or coaching practices. She has a deep background in the financial services and professional services industries with a focus on technology. She has been employed by KPMG, Arthur Andersen, and Deloitte. Through her own company she was a project employee for Protiviti, Navigant Consulting, and Resources Global. She has been coaching clients through job and life transitions for more than 15 years. Catherine graduated from Vassar College with a Bachelor of Arts in Psychology.*
